

# Frequently Asked Questions

## **What does it cost to become a member?**

There is a non-refundable \$20 application fee. Membership dues are shown above for the current year. In addition all new members must pay a one-time \$10 access key card fee. This card becomes your permanent membership card and will remain active as long as current dues are paid.

## **Is the Lincoln County Rifle Club open to the public?**

The Lincoln County Rifle Club is a member-only organization. Members in good standing are entitled to use the Club facilities and property as defined in the By-Laws. Range certification is required for all members before being allowed to use the range facilities. For safety, insurance and liability reasons, the range is not open to the general public except for certain events. The Club has a history of opening to the public all Open Activities that are scheduled on the Club's calendar. Some activities carry fees such as Matches, but are kept low to encourage participation. Whereas other activities, such as Ladies Day, Sight-in Day, and Open House, carry no fees. Community Specific Activities are restricted to the group involved, such as the National Audubon Society and Local and County Law Enforcement personnel qualifications.

## **Are there fees for members to bring guests to the range?**

No. However, members are responsible for their guests. This responsibility includes making sure that guests are familiar with and follow LCRC range rules, use safe firearms handling procedures, abide by range safety procedures, have proper eye and ear protection and that members are with their guests at all times. The number of guests with a member must be limited to their ability to safely supervise their shooting.

## **Are there seasonal memberships available for summer residents?**

No. After careful consideration, we have determined that because our regular membership fees are reasonable and the bulk of shooting events are during the warmer months, any such membership distinction would not be fair to the existing membership base nor would the increased administrative load be warranted on our all-volunteer staff.

## **Are children under the age of 18 allowed at the range?**

Yes. Children and grandchildren of members are welcome at the Club as long as they are under the constant, close supervision of the member parent(s).
